FOOD!

Modern Australian food incorporates flavours from all over the world. Our most famous traditional food includes damper, vegemite, lamingtons and meat pies.

Did You Know?

Australia's first police force consisted of the most well behaved convicts.

An Australian man once attempted to sell New Zealand on EBay!

The biggest cattle property in Australia is bigger than Belgium.

Australia has only 2.66 people per square kilometre (The UK has 248.25).

The Kangaroo and Emu reside on the coat of arms because they cannot walk backwards, indicating Australia's love of progress.

Australia is one of the only countries that eat the animals on their coat of arms.
